Mrs. W. J. Gartley **DISPERSAL SALE**

*Scotch
Shorthorns*

THURSDAY, NOV. 21, 1946
Exhibition Grounds, Brampton, Ont.

FOREWORD

The herd of Scotch Shorthorns founded by the late Mr. W. J. Gartley were selected on the basis of high individual merit and the best of pedigree strength. The plan was to produce better Shorthorns and liberal sums were spent in order to secure foundation stock which would fulfill that plan. Foundation females were purchased from only the best Canadian herds, they were all of the low-set, thick, short legged, early maturing type, and in general conform to the correct type demanded today.

Our carefully selected herd was just getting into full production and we were indeed feeling justly proud of the young stock we were producing. The death of Mr. Gartley in March of the present year has, however, led us to the decision to disperse the entire herd with no reserve whatsoever.

The health of our herd has been remarkable; the herd of course is under Federal Government accreditation for tuberculosis and we have never had a reactor. All animals will be sold subject to blood test where such a test may be required or desired.

The results of our carefully laid plans which unfortunately have been cut short, are offered today for your appraisement. It is hoped that these cattle will be as useful to you as they have been to us. We sincerely believe we are offering a great herd of Shorthorns that represent the best of proved breeding cattle.

MRS. W. J. GARTLEY,

Inglewood, Ont., R.R. No. 1.

General Information

TIME—This dispersal sale will be held Thursday, November 21, 1946, starting at 1 P.M. sharp.

LOCATION—The sale will of course be held under cover, in the arena at the Exhibition Grounds, Brampton, Ont. Brampton is well served by the Canadian National Railway and can be reached by following highways Number 7 or 10.

MAIL, TELEGRAMS, TELEPHONE CALLS containing information relative to mail or wire bids may be sent to H. R. White, Secretary, Canadian Shorthorn Association, Gummer Bldg., Guelph, Ont.; Prof. Geo. E. Day, Secretary Ontario Shorthorn Club, 32 Arnold St., Guelph, Ont.; Will Johnson, 16 South Locust Street, Aurora, Ill., or to any of the auctioneers. Mail or wire bids will be honestly and faithfully executed.

HEALTH—The herd is Federally accredited for tuberculosis, and there never has been a reactor to Bangs disease. Many of the heifers have been vaccinated.

GUARANTEE—Every animal in the herd is healthy, the pedigrees are correct, and those females that do not have calves at foot are well along in calf. The heifers selling open have not been bred because of their age. We have always maintained a breeding herd of the utmost reliability. It is with no misgivings that we recommend Robinwood Edwin as a sire for service in some outstanding herd. It will be noted that he is sired by the noted imported bull Royal Edwin. His dam is a typey modern Shorthorn cow sired by the \$2,500 Robinwood Colonel, a grandson of Millhills Ransom (imp). An opportunity is thus afforded to secure a bull that combines bloodlines that has met with popular acclaim in Canada and the United States. Robinwood Edwin is a bull of show calibre and we feel that we are not overstepping the mark when we say he is one of the top individuals in Canada to-day.

This catalogue reveals that twelve females carry his service.
